Heavenly Father, God from eternity past, maker of Heaven and Earth and all things visible and invisible, I come to your throne by the blood of Your Son Jesus Christ, my Lord and Savior. Having

renounced all these things related to Freemasonry, I ask the Holy Spirit to now enforce my renunciations and declarations upon all the kingdoms of evil from which Freemasonry has its roots.

If there is anything significant which has not been renounced, any curse of the Lodge not broken, I place these unknown evils in Your hands to be abolished by your grace. Having forgiven my ancestors of the Lodge for all their spiritual disobediences and blasphemies, I now receive freedom from every vow, oath, ritual, ceremony, and dedication entered into by them, whether with malevolence or ignorance.

I declare that my entire family, and all that is ours, is delivered from the most intricate of evils devised by Freemasonry. Our future generations are also free from these many, manifest evils by the blood of Christ and spiritual agreement with the promises of His Word. I no longer fear any spiritual reprisals from the demonic forces of Freemasonry. All that the Lodge has stolen must be returned sevenfold, by the law of spiritual restitution.

I and all those in my bloodline, as well as generations yet to come, receive the blessings of faith in Christ and the eradication of every curse of Freemasonry from this moment forth, in the name of the Father, Son, and Holy Spirit. Amen.
