God ya tyete ma ya homite ko wike pya ka kikimamiti Ma ka kikirain ko Aekyom swama hikan kimina, Ka kimiti butmin kimaepu, hikan ko kukumasa kimina.

This "Bible Overview" consists of selections from Old and New Testament. Old Testament selections are included to give an understanding of New Testament references particularly the Messanic.

All is written that the Aekyom people might understand more clearly the Lord God, and what he has said and done, that they might thank and praise him, who alone is worthy.
