/1 Sigba Jiwheyewhe de owanyi eton hia hlan mi dali, na, whenuena mi gbe to ylandono yin, Klisti ku na mi.

Dinvie jenukonna hunwhe juwayi ton lo, whenuena Jesu yonen do ojle eton wa, bo ewo na do yi son aihon he me yi Oto de, le e yiwanna ome eton titi he tin to aihon me le do, e yiwanna ye je podo.

Ewo he ma yiwanna ome, ma yon Jiwheyewhe gba; na Jiwheyewhe we owanyi. Ehe me we ye do owanyi Jiwheyewhe ton hia hlan mi te, na Jiwheyewhe do Ovi deton eton dopo akan lo hlan aihon he me, na mi nido nogbe gbon ewo me.

Na Jiwheyewhe yiwanna aihon somo bo e yi Ovi deton eton dopo akan name, na medepope he yi i se ma nado don, sigba e nido tindo ogbe madopodo.

Son Jesu Klisti de, mehe yin kunnudeto nugbono lo, ome plonji son osio le me, ahovi aholu aigba ton le ton. Hlan ewo he yiwanna mi, bo so yi ohun eton do klo mi son ylando miton le me.

/2 Podo matin nudindon, daho we nudabla jijodi-Jiwheyewhe ton: ye yi Jiwheyewhe hia to agbasa me, bo so suwhe ne to Gbigbo me, ye mo en to angeli le de, ye doyewheho eton hlan Kosi le, ye yi i se to aihon me, ye so yi i daga do gigo me.

Jesu do hlan en, do, Be le yen ko tin to mi de den do, hie ma ko yon mi gba, Filipi? ewo he ko mo mi ko mo Oto; nawe hie do do do, Do Oto lo hia mi? Be hie ma yise do yen tin to Oto me, podo Oto tin to yen me?

To whewhewhenu we Oho lo ko tin, Oho lo ko tin po Jiwheyewhe po, Oho lo we Jiwheyewhe.

Ye so le Oho lo zun agbasalan, e so no mi sensen, mi pon gigo eton, gigo he di Ovi deton dopo akan son Oto de, mehe go na ojomion po nugbo po.

Onu hele po so jo, na ehe ye ko do son Okluno de gbon onu yewhegan lo ton me nido di, do, do ayi e go, awhli de na moho, e na ji ovisunnu de, ye na no ylo oyin eton do Emmanueli, tadena ehe ton yin, Jiwheyewhe tin to mi de.

/3 Medepope he na yigbe do Ovi Jiwheyewhe ton we Jesu, Jiwheyewhe ton we Jesu, Jiwheyewhe to nino e me, podo ewo to Jiwheyewhe me.

Na ewo me we gigo ozonji Jiwheyewhe ton lepo nono to agbasa me.

Angeli lo so gblon bo do hlan en, do, Gbigbo Wiwe na wa oji we, huhlun Gigogan ton naso sinyon oye oji we: enewutu ga onu wiwe he tin nado yin dideton son hie me, Ovi Jiwheyewhe ton ye na no ylo e.

Bo pon, ye dawha domo, Etewe wa mi po hie po, Jesu, hie Ovi Jiwheyewhe ton? be hie wa to ofi whepo ojle lo na wa nado doyana mi we?

Bo pon, ogbe de son olon le me, didomo, Ehe we Visunnu sie; Mevive sie, mehe me home sie vivi te talala.

Le e gbe to hodo, do ayi e go, aslo sisemlanmlan de sinyon ye: bo pon, ogbe de son aslo me, to didomo, Ehe we Ovi yiwanna sie, mehe me yen yin homehunno te talala; mi no se eton.

/4 Jesu so do hlan ye, do, Nugbo, nugbo, we yen do hlan mi, Whepo ye ji Ablaham, yen tin.

Enewutu Jesu vo do hlan ye, do, Nugbo, nugbo, we yen do hlan mi, Yen we ohon lengbo ton.

Nawe lo so do hlan en, do, Yen yonen do Messia ja, mehe ye no ylo Klisti: whenuena e wa, e na la onu lepo hlan mi. Jesu do hlan en, do, Yen mehe to hodo he we we ewo lo.

E so do hlan ye, do, Odo we miwle tin son; aga we yen tin son: aihon he ton we miwle; yen ma yin aihon he ton gba.

Miwle to yiylo mi do Meplonto, bo to yiylo mi do Oklumo; mi do dagbe; na mowe yen yin.

Whenuena yen tin to weke me, yen we hinhon weke ton.

Jesu do hlan ye, do, Yen we akla ogbe ton: medepope he wa de huve ma na hu i, mehe so yi mi se, ove ma na hu i gbede.

Jesu do hlan en do, Yen we fonsonku po ogbe po; mehe yi mi se, eyin e ku, e naso tin to ogbe.

/5 Simoni so gblon bo, domo, Okluno, ozanme oso lepo we mi ko jetukla, bo ma wle nudepope: sigba to oho towe ji yen na kon odo lo do odo me. Whenuena ye so wa ehe, ye sinyon whevi susu dopo: odo yeton so tlen.

Bo do ayi e go, dawwe nukuntonno awe sinai to alihoto, whenuena ye se do Jesu ju jei, dawha daga domo, Waleblanu na mi, Okluno, hie ovi sunnu Davidi ton.

Podo Jesu yiyi leblanu do whan, yi alo do nukun yeton go: to afodoponeji nukun yeton monu, ye so hodo e.

Podo mimo ovotin dopoakan de to aliho, e wa e kon, e ma so mo nude to e ji, adavo ama dodo, e so do hlan en do, Son dinvie kaka doidoi a dike sinsen so sen to oji we gbedegbede blo. Tendoponeme ovotin lo so fio.

E so degbena agundaho lo nado jagla to ogbe ji, e so yi akla aton po whevi awe le po, pinpon aga hlan olon, e dona, bo kan bo yi akla le lo na nuplonto eton le, nuplonto le so yi na agundaho le lo. Ye ome po so du, bo goho: ye so be dupo he po pli oha wiawe go. Ye he du le yi gbeto degbadefoton, mahia yonnu po yopovu le po dogo.
