

## **From Glory to Glory**

**From heaven's place we eagerly wait,  
For Jesus our Savior to come;  
Who will transform and make to conform,  
Our lives to the glorious Son.**

**In this we groan to be further clothed,  
With our habitation from Thee.  
Burdened inside this tent, Lord, we cry,  
To swallow up mortality.**

**chorus:**

**We all with unveiled face behold  
The glory of our great King,  
Are being transformed from things of old,  
From glory to glory**

**We shall be like our Lord Jesus Christ,  
For we shall see Him as He is.  
With boldness to stand when judgment's at hand,  
Because we are just as He is!**
