

## **Jesus, You Are Wonderful!**

I was lost, I was blind, but to me You inclined.  
And Your ear heard my plea, now I live because of Thee.  
You have shown me the way, that I must die each day.  
Then I will cease from sin, live for God and not for men.

### *Chorus:*

Jesus, You do all things well! Jesus, You are wonderful!  
And there is no other name that can save.  
Jesus, You're my righteousness! You have come, now I am blessed!  
Every tongue, they will confess, Your great name.

Lord, You came as a man, and they scorned Your great plan.  
Still You died on the tree, bore my sins and set me free.  
Now Your living in me. You're my hope and my peace.  
And I'm living by faith, as I walk the narrow way.
