

Thanks be to our God

(2 Corinthians 2:14-15; Ephesians 3:20-21)

We are the temple of Christ
The fullness of God is at work in us
He is our hope and our life
Jesus is making us glorious

Chorus

Thanks be to our God
Who always leads us in triumph
Thanks be to our God
Who always leads us in triumph in Christ

We are the fragrance of Christ
Diffusing His knowledge in every place
We are the salt and the light
Sharing the hope of His glorious grace

Bridge

To Him who is able to do
Abundantly more than we ask Him to
Through His power in us
Glory and honor belong to You
