

## **Those Who Are Christ's**

(2 Timothy 3:12; Galatians 5:24; Luke 22:41-44; 2 Corinthians 4:16-18; Romans 8:18)

**All who desire a godly life  
Will suffer for His name  
Counting it joy amidst the trials  
Knowing that life is gained**

**Those who are Christ's have crucified  
The body of the flesh  
With all its passions and desires  
And overcome the tests**

**Chorus:**

**You drank the cup, O Lamb of God  
You have endured the cross  
Poured out Your will, with drops of blood  
Showing us how to walk  
Worthy are You, O God**

**The sufferings of this present hour  
They cannot be compared  
With all the glory and the power  
To be, in us, revealed**

**Outwardly we are perishing  
The inward man renewed  
Looking to things that are unseen  
We put our hope in You**
