

You are Life

**1) He who has the Son has life
He who has the Son has life
Called out of darkness into the light
He who has the Son has life.**

Chorus:

**You are life, in You is the life
And Your life, has given us light;
Jesus, in You is the life,
You are life.**

**2) He who has believed the Son
He who has believed the Son
Out of his heart, living waters will run
He who has believed the Son.**

**3) Whom the Son sets free
Shall be free indeed
In His house he'll forever abide
Whom the Son sets free.**
