

# Kingdom Dominion

**By my authority in Jesus Christ, I declare Kingdom Dominion on Earth.** I decree that the Lord's Kingdom advance on every front: May the Church be Unified, Sanctified, Blessed, Matured, Empowered & Victorious. May the Gospel go unhindered into every nation, revival spread worldwide & souls be saved. May God's name be glorified everywhere, and Jesus' Kingdom be established on Earth. I decree that satan's kingdom be utterly defeated: May his plans be exposed, his works destroyed, his efforts vanquished, his agents cast out, his captives freed, and his territory diminished. I decree that Witchcraft, sorcery, and all dark powers be broken. I decree all false religions be abandoned, idols destroyed, false teaching dismissed & liars discredited. I decree Righteousness in Government: May all corruption be exposed & removed. May the Godly raise to power and the wicked fall. May Liberty Spread worldwide & all Tyrants be dethroned. May Israel be restored, sanctified & saved. I decree Justice in the Courts: May the innocent be protected and all criminals apprehended. I decree Truth & Virtue in the Media, with wise people reporting, but fools ignored. I decree God's judgments in the Marketplace: May God honoring businesses be blessed, but may those businesses that promote sin fail miserably. May the wealth of the wicked be transferred to the Righteous. I decree that Godliness will be honored in Entertainment. May virtuous movies, shows, music, books, programs & art flourish, but the ungodly ones thrown out. I decree that God's wisdom be taught in the Schools and that our children shall know God. I decree that God's Redemptive judgments flood the Earth, and all darkness be driven back: May abuse be stopped, abortion ended, depression extinguished, natural disasters held back, suicide & murder ceased, perversion shunned, drug abused stopped, terrorism thwarted, hunger & poverty eradicated, racism & hatred rooted out and pollution removed. I decree God's Glory fill the Earth. May broken relationships be restored, divorce prevented, wounds healed, diseases cured, prisons transformed & Righteous flourish. I decree Health, Abundance, Success, Protection, Grace & Provision for God's people. **In Jesus Mighty Name!**
